

Gaza Trauma Working Group

Post Op and Rehabilitation sub-group

MoM from July 30th 2018

Present: MSF; ICRC; MDN; PMRS; HI; Elwafa Hospital; WHO

General Agreement on the following steps:

Step 1 - Mapping of services by the Post-OP and Rehab providers (on line survey already sent: <https://www.surveymonkey.com/r/WK2327Y>)

Step 2 - Based on the responses, create a check-list like, referral form, from hospitals to providers, with information on the services available.

Step 3 - Setup of the online platform based on "Patient ID" and "Date of Birth" - The platform will be managed by WHO

Step 4 - Once the platform is live, each partner will feed in the services that are being provided to each individual patient, according to his individual "National ID" number

- Dressing changes
- Surgical treatment
- Physiotherapy
- Assistive devices
- Mental Health Support
- Psychosocial Support
- Occupational Therapy
- Medication

Step 5 - Every time a new patient is admitted, the partner will check the online database to confirm if the patient is not already receiving the same type of service by a different partner. Each patient can only have one provider per type of service.

Step 6 - WHO will consider the organization of an educational campaign for Hospital Staff and Patients focusing on Post-op and Rehab Services
